Dear Jack:

I want to thank you very much for taking the time to meet with a member of my staff on the question of the 1962 US-Soviet understanding on offensive weapons in Cuba. As you know, the portion of the understanding which dealt with the removal of the IL-28 bombers was particularly relevant to our present concerns. The reports of your 1962 conversations proved particularly valuable for our assessment of the Soviet transfer of MiG-23 aircraft to Cuba.

Sincerely,

The Honorable
John J. McCloy,
1 Chase Manhattan Plaza,
New York, New York
